

EU type-examination certificate

C2303.4WWH

Applicant / manufacturer	WUHAN WELHEL Photoelectric Co., Ltd No. 6, Jiangxing Road Jiangnan District WUHAN CITY HUBEI PROVINCE P.R.CHINA
Identification of the manufacturer	WWH
Product type	Face shield – Welding helmet
Model name	WH3000
Standard(s) / technical rules	Essential requirements according to Annex II of the PPE-Regulation (EU) 2016/425 EN 175 : 1997
Test report(s)	1121-ECS-17 / MR 11211-ECS-17, 2202-ECS-22 / MR 22021-ECS-22
Material and specifications	Polyamide, safety plates, automatic welding filter, protection against high speed particles, low energy impact (F)
Marking	WWH 175 F CE

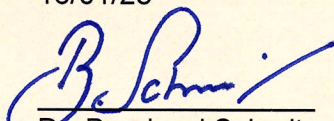

Herewith, ECS certifies that the named model complies with the essential requirements for health and safety as they are provided by the European Regulation (EU) 2016/425 for Personal Protective Equipment. This certificate is based both / either on the test results as they are summarized in the named test reports, and/or on the technical documentation as it is delivered by the manufacturer. The applicant / manufacturer agrees to the General Business Rules of the ECS GmbH and to additional agreements as they are named in the application for conformity assessment.

The eye-protection device is to be marked as assigned. Either / both the frame and/or the ocular, spectacle, goggle or shield must be signed, as appropriate. If different markings have been assessed, the lowest marking must be applied, respectively. The validity of this EU type-examination certificate will expire on the date as mentioned below, and/or if the manufacturer modifies the safety-relevant properties of this product with comparison to the tested one and/or if the requirements in the standards or technical rules will be revised and/or tightened.

Name, address and identification number 1883 of the notified body ECS are to be indicated in the information brochure of this product.

This EU type-examination certificate is valid until 2027-03.

Confirmation of conformity to AS/NZS standard(s)

Herewith, ECS confirms that the product(s)

WH3000
being a face shield – welding helmet
for protection during welding and allied operations

supplied by the company

Wuhan Welhel Photoelectric Co., Ltd
No. 6, Jiangxing Road
Jiangnan District
WUHAN CITY
HUBEI PROVINCE
P.R.CHINA

comply with the essential requirements for health and safety. The product satisfies the requirements for optical and physical properties, impact resistance, ignition and flame resistance as they are described in the relevant European and / or International standards as indicated below.

Test specifications	AS/NZS 1337.1 : 2010
Test report(s)	2202-ECS-22 / MR 22021-ECS-22
Materials and specifications	Polyamide medium impact resistance (F)
Proposed marking	WWH F

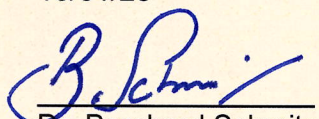

This confirmation of conformity expires in 2027-03.

The validity of this confirmation of conformity (CoC) may be compromised if the manufacturer changes the safety related properties of the product or if the Standard referred to is modified or updated.

This confirmation only relates to the named test sample. Without permission of the ECS GmbH the related test report shall not be duplicated entirely or in extracts. The test report does not entitle to carry any test mark.

As a recognised and authorised testing laboratory / facility, we hereby authorise the use of our name, address and the identification number 1883 of the notified body ECS in marketing and information material produced by the manufacturer.
